MAKING A DIFFERENCE TO YOUR COMMUNITY

## About us

Worcestershire Community Foundation is one of the county's major grant making charities, supporting community organisations of all kinds to help local people where there are the greatest challenges.

We work closely with donors of all kinds - from individual givers to businesses - who want to 'give something back' to this vibrant and beautiful county where many needs are hidden from public view.

We need to build relationships with donors so that we can really make a difference by supporting local communities into the future.

## Why become a WCF Friend?

- Our Friends programme is a membership scheme which will help you fund local communities
- You will join a like-minded group of local philanthropists who care about our county
- Your membership contribution will go to our endowment-based **Community Fund** - actively supporting a range of local projects\*
- Monthly payments make it more cost effective and can raise 25% more through gift aid
- We will keep you up to date with how the fund is being spent and the difference it is making across Worcestershire

\*5% of funds raised will help support WCF overhead costs so we can keep running.

## How do I become a WCF Friend?

You can join as an individual or an organisation. As an individual you will be able to gift aid your regular donation. To sign up please see full details on the attached application form.

We will say thank you by:

- Adding your name to our **website Wall of Fame**
